

December 2024

Meeting season is upon us folks. This time of year, my schedule tends to take a shift from less one on one time making farm visits to seeing larger groups of people during a plethora of upcoming meetings. I also enjoy seeing each of you whether it's in the office or out and about at one of the meetings.

I would like to remind everyone to pay your Lincoln County Cattleman's dues if you have not. This is a great way to support your Local and State Cattleman's Association. Dues are \$30 per person and \$45 per couple. Lincoln County routinely has one of the largest Cattleman's Association in the Commonwealth. If you would like to pay your dues, you can make a check out to LCCA and mail to P.O. Box 182 Stanford, KY 40484.
